Instructions: How to use Google Scholar from home?

Step-by-step instructions

1. Go to settings

Go to settings

New! 2017 Scholar Metrics Released

Stand on the shoulders of giants
2. Activate library links. Search for Hanken (depending on your locations, other libraries may be suggested to you)
3. When searching for articles you will now see a link to Hanken’s databases
4. You will get directed to a SFX page. Search for “full text” and then click GO!

Klick on GO to find the article!
